20 September 2022

Dear Sirs

Audit Completion Report – Year ended 31 March 2022

We are pleased to present our Audit Completion Report for the year ended 31 March 2022. The purpose of this document is to summarise our audit conclusions.

The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 31 March 2022. We have reviewed our Audit Strategy Memorandum and concluded that the original significant audit risks and other areas of management judgement remain appropriate. We would like to express our thanks for the assistance of your team during our audit.

If you would like to discuss any matters in more detail then please do not hesitate to contact me on 07896 684 771.

Yours faithfully

Gavin Barker

Section 01:

Executive summary

1. Executive summary

Principal conclusions and significant findings

The detailed scope of our work as your appointed auditor for 2021/22 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards on Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

In section 4 of this report we have set out our conclusions and significant findings from our audit. This section includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- Management override of controls;
- Net defined benefit liability valuation; and
- Valuation of land and buildings.

Misstatements and internal control recommendations

Section 5 sets out internal control recommendations and section 6 sets out audit misstatements. Section 7 outlines our work on County Durham and Darlington Fire and Rescue Authority's (the Authority's) arrangements to achieve economy, efficiency and effectiveness in its use of resources.

Status and audit opinion

We have substantially completed our audit in respect of the financial statements for the year ended 31 March 2022. At the time of preparing this report, significant matters remain outstanding as outlined in section 2. We will provide an update to you in relation to the significant matters outstanding through issuance of a follow up letter.

Subject to the satisfactory conclusion of the remaining audit work, we have the following conclusions:

Audit opinion

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Value for Money

We are yet to complete our work in respect of the Authority's arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2022. We anticipate having no significant weaknesses in arrangements to report. Further detail on our Value for Money work is provided in section 7 of this report

Whole of Government Accounts (WGA)

We have not yet received group instructions from the National Audit Office in respect of our work on the Group's WGA submission. We are unable to commence our work in this area until such instructions have been received.

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Authority and to consider any objection made to the accounts. No questions or objections have been received.

Section 02:

Status of the audit

2. Status of the audit

Our work is substantially complete and there are currently no matters of which we are aware that would require modification of our audit opinion, subject to the outstanding matters detailed below.

Audit area	Status	Description of the outstanding matters
Pensions		We are still completing our work on our review of pensions including firefighters pensions. We are awaiting the letter of assurance from the auditor of the Durham County Pension Fund.
Property, plant and equipment – valuations		We have one query outstanding on the valuations of land and buildings.
Disclosures		Including the presentation and disclosure checklist, related party transactions, exit packages and non-material notes.
IT General Controls		Completion of our work on the understanding of your IT control environment.
Annual Governance Statement and Narrative Report		Review of the Annual Governance Statement and Narrative Report.
Group consolidation		Completion of consolidation entries in relation to the Group accounts.
Review and closure procedures		Including reviews of completed work, checking the final version of the financial statements and consideration of any post balance sheet events.
Whole of Government Accounts		Reviewing and submitting the Whole of Governments Accounts consolidation schedules. The NAO has not yet issued guidance to auditors therefore we are unable to complete.

Likely to result in material adjustment or significant change to disclosures within the financial statements.

Potential to result in material adjustment or significant change to disclosures within the financial statements.

Not considered likely to result in material adjustment or change to disclosures within the financial statements.

Section 03:

Audit approach

3. Audit approach

Changes to our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in March 2022. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

Materiality

Our provisional materiality at the planning stage of the audit was set at £1.021m for the Group and £1.020m for the Authority using a benchmark of 2% of gross operating expenditure. Our final assessment of materiality, based on the final financial statements is £1.003m for the Group and £1.001m for the Authority using the same benchmark.

Use of experts

There are no changes to our planned approach since issuing our Audit Strategy Memorandum as set out below:

Item of account	Management's expert	Our expert
Defined benefit liability	Government Actuary's department (GAD) for Firefighters; and Aon Hewitt Limited for all other employees	NAO's Consulting Actuary (PWC)
Property, plant and equipment valuation	Durham County Council Valuer	We completed appropriate testing and considered available third party information. See section on significant risks.

Service organisations

There are no changes to our planned approach since issuing our Audit Strategy Memorandum as set out below

Items of account	Service organisation	Audit approach
Provision and maintenance of the general ledger system (including Accounts Payable and Accounts Receivable) which affects all items of account.	Durham County Council	Mazars is also the auditor of Durham County Council and has direct access to accounting records and staff. Accordingly, we were able to substantively test the financial statements in the same way as if the Authority did not rely on a service organisation. We reviewed and documented the controls in place for the production of the financial statements and also within the material financial information systems.

04

Section 04: **Significant findings**

4. Significant findings

In this section we outline the significant findings from our audit. These findings include:

- our audit conclusions regarding other significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page 13 we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year;
- any further significant matters discussed with management; and
- any significant difficulties we experienced during the audit.

Significant risks

Management override of controls	Description of the risk
	In all entities, management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, we consider there to be a risk of material misstatement due to fraud and thus a significant risk on all audits.
	<p>How we addressed this risk</p> <p>We addressed this risk through performing audit work over:</p> <ul style="list-style-type: none"> • Accounting estimates impacting amounts included in the financial statements; • Consideration of identified significant transactions outside the normal course of business; and • Journals recorded in the general ledger and other adjustments made in preparation of the financial statements.
	<p>Audit conclusion</p> <p>There are no significant issues arising from our work that we are required to report to you.</p>

4. Significant findings

Net defined benefit liability valuation	<p>Description of the risk</p> <p>The financial statements contain material pension entries in respect of retirement benefits. The calculation of these pension figures, both assets and liabilities, can be subject to significant volatility and includes estimates based upon a complex interaction of actuarial assumptions. This results in an increased risk of material misstatement.</p> <hr/> <p>How we addressed this risk</p> <p>We completed the following procedures:</p> <ul style="list-style-type: none"> • We discussed with key contacts any significant changes to the pension estimates. In addition to our standard programme of work in this area, we evaluated the management controls you have in place to assess the reasonableness of the figures provided by the Actuary and considered the reasonableness of the Actuary's output, referring to an expert's report on all actuaries nationally; • We reviewed the appropriateness of the key assumptions included within the valuations, compared them to expected ranges and reviewed the methodology applied in the valuation. We considered the adequacy of disclosures in the financial statements; and • We also sought assurance from the auditor of the Durham County Council Pension Fund. <hr/> <p>Audit conclusion</p> <p>Our work is ongoing in this area. We also require the pension fund auditor's letter of assurance. We have not identified any significant issues to bring to your attention at this stage.</p>
--	---

Valuation of land and buildings	<p>Description of the risk</p> <p>The financial statements contain material entries on the Balance Sheet as well as material disclosure notes in relation to the Authority's holding of PPE. Although the Authority uses a valuation expert to provide information on valuations, there remains a high degree of estimation uncertainty associated with the revaluation of PPE due to the significant judgements and number of variables involved in providing revaluations. We have therefore identified the valuation of PPE to be an area of significant risk.</p> <hr/> <p>How we addressed this risk</p> <p>We completed the following procedures:</p> <ul style="list-style-type: none"> • assessed the authority's arrangements for ensuring that land and building valuations are reasonable; • assessed the basis of valuations, using third party trend data where appropriate, as part of our challenge of the reasonableness of the valuations provided by Valuer; • considered the competence, skills and experience of the Valuer; and • tested a sample of valuation movements to gain assurance that the accounting treatment is appropriate. <hr/> <p>Audit conclusion</p> <p>Our work is ongoing in this area. We have not identified any significant issues to bring to your attention at this stage.</p>
--	---

4. Significant findings

Qualitative aspects of the Group and Authority's accounting practices

We have reviewed the Group and Authority's accounting policies and disclosures and concluded they comply with the 2021/22 Code of Practice on Local Authority Accounting, appropriately tailored to the Group and the Authority's circumstances.

Draft accounts were received from the Authority on 29 June 2022, ahead of the revised statutory deadline and were of a good quality, supported by comprehensive working papers.

Significant matters discussed with management

There were no significant matters discussed with management.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2021/22 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. No such objections have been raised.

Section 05:

Internal control recommendations

5. Internal control recommendations

The purpose of our audit was to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements in order to design audit procedures to allow us to express an opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of internal control or to identify any significant deficiencies in their design or operation.

The matters reported are limited to those deficiencies and other control recommendations that we have identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported or concluded that some of the reported deficiencies need not in fact have been reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

Our findings and recommendations are set out below. We have assigned priority rankings to each of them to reflect the importance that we consider each poses to your organisation and, hence, our recommendation in terms of the urgency of required action. In summary, the matters arising fall into the following categories:

Priority ranking	Description	Number of issues
1 (high)	In our view, there is potential for financial loss, damage to reputation or loss of information. This may have implications for the achievement of business strategic objectives. The recommendation should be taken into consideration by management immediately.	0
2 (medium)	In our view, there is a need to strengthen internal control or enhance business efficiency. The recommendations should be actioned in the near future.	0
3 (low)	In our view, internal control should be strengthened in these additional areas when practicable.	0

Our work has not identified any significant deficiencies in our 2021/22, However, there was one control weakness in 2020/21 to follow up and this is shown below

Description of deficiency – Level 2

Backups: Backups have been tested during the period but there was no documentation to support this. Furthermore, since this was a test of the network data only, it did not extend to applications.

Disaster Recovery: Disaster recovery arrangements have not been tested in the audit period but we understand they are due to be completed in late 2021.

User accounts: User accounts have not been reviewed in the audit period.

Potential effects

Backup and Disaster Recovery: Failure of IT systems or a cyber attack could result in loss of data.

User accounts: Inappropriate users have access to systems.

Recommendation

Backups and Disaster Recovery should be tested on a regular basis and action taken where required.

User accounts should be reviewed on a regular basis to ensure that accounts are still valid and have appropriate access rights.

2021/22 Update

Still to be followed up.

06

Section 06:

Summary of misstatements

6. Summary of misstatements

This section outlines the misstatements identified during the course of the audit, above the trivial threshold for adjustment of £31,000 for the Group and £30,000 for the Authority.

There were no unadjusted or adjusted misstatements above the trivial threshold and no disclosure amendments other than those which were clearly trivial.

07

Section 07: **Value for Money**

7. Value for Money

Approach to Value for Money

We are required to consider whether the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out and sets out the reporting criteria that we are required to consider. The reporting criteria are:

- **Financial sustainability** - How the Authority plans and manages its resources to ensure it can continue to deliver its services
- **Governance** - How the Authority ensures that it makes informed decisions and properly manages its risks
- **Improving economy, efficiency and effectiveness** - How the Authority uses information about its costs and performance to improve the way it manages and delivers its services

At the planning stage of the audit, we undertake work to understand the arrangements that the Authority has in place under each of the reporting criteria and we identify risks of significant weaknesses in those arrangements. Although we describe this work as planning work, we keep our understanding of arrangements under review and update our risk assessment throughout the audit to reflect emerging issues that may suggest significant weaknesses in arrangements exist.

We did not identify any risks of significant weaknesses in arrangements as part of our planning work or our work to date.

Where our risk-based procedures identify actual significant weaknesses in arrangements we are required to report these and make recommendations for improvement. Where such significant weaknesses are identified, we report these in the audit report.

The primary output of our work on the Authority's arrangements is the commentary on those arrangements that forms part of the Auditor's Annual Report. We intend to issue the Auditor's Annual Report within 3 months of signing the audit opinion on the financial statements.

Status of our work

We are yet to complete our work in respect of the Authority's arrangements for the year ended 31 March 2022. At the time of preparing this report, we have not identified any significant weaknesses in arrangements that require us to make a recommendation, however we continue to undertake work on Authority's arrangements.

Our draft audit report at Appendix B outlines that we have not yet completed our work in relation to the Authority's arrangements. As noted above, our commentary on the Authority's arrangements will be provided in the Auditor's Annual Report within 3 months of the opinion date.

Appendix A: Draft management representation letter – County Durham Fire and Rescue Authority and Group

Mr Gavin Barker
Director
Mazars LLP

Date

Dear Gavin

County Durham and Darlington Fire and Rescue Authority and the Group - audit for year ended 31 March 2022

This representation letter is provided in connection with your audit of the financial statements of the County Durham and Darlington Fire and Rescue Authority and Group (the Authority and Group) for the year ended 31 March 2022 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the financial statements and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with Code.

My responsibility to provide and disclose relevant information.

I have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- Additional information that you have requested from us for the purpose of the audit; and
- Unrestricted access to individuals within the Authority and Group you determined it was necessary to contact in order to obtain audit evidence.

I confirm as s151 Officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information. As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Authority and relevant committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the financial position, financial performance and cash flows of the Authority and Group

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used by the Authority and Group in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- Information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- The amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Authority and Group have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code.

Appendix A: Draft management representation letter

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom. We have complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as s151 Officer for the design, implementation and maintenance of internal control to prevent and detect fraud and error. I have disclosed to you:

- All the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- All knowledge of fraud or suspected fraud affecting the Authority and Group involving:
 - management and Those Charged With Governance;
 - employees who have significant roles in internal control; and
 - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Authority's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code. I have disclosed to you the identity of the Authority's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of intangible assets below their carrying value at the statement of financial position date. An impairment review is therefore not considered necessary.

Charges on assets

All the Authority's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Ukraine

We confirm we have carried out an assessment of the potential impact of Russian Forces entering Ukraine on the Authority and Group and there is no significant impact on the Authority's operations from restrictions or sanctions in place.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed. Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Going concern

I confirm that I have carried out an assessment of the potential impact of the COVID-19 Virus pandemic on the Authority and Group, including the impact of mitigation measures and uncertainties and am satisfied the going concern assumption remains appropriate and that no material uncertainty has been identified.

To the best of my knowledge there is nothing to indicate that the Authority and Group will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Annual Governance Statement

I am satisfied that the Annual Governance Statement (AGS) fairly reflects the Authority's risk assurance and governance framework and I confirm that I am not aware of any significant risks that are not disclosed within the AGS.

Unadjusted misstatements

I confirm that the effects of any uncorrected misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to this letter as an Appendix [if required].

Yours sincerely

s151 Officer

Appendix B: Draft audit report (Authority and Group)

Independent auditor’s report to County Durham and Darlington Fire and Rescue Authority and Group

Report on the audit of the financial statements

Opinion on the financial statements

We have audited the financial statements of County Durham and Darlington Fire and Rescue Authority and Group (Authority and Group) for the year ended 31 March 2022, which comprise the Group Movement in Reserves Statement, Group Comprehensive Income and Expenditure Statement, Group Balance Sheet, Group Cash Flow Statement, Authority Movement in Reserves Statement, Authority Comprehensive Income and Expenditure Statement, Authority Balance Sheet, Authority Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Authority and Group as at 31st March 2022 and of the Authority and Group’s expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor’s responsibilities section of our report. We are independent of the Authority and Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Treasurer’s use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Authority and Group’s ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Treasurer with respect to going concern are described in the relevant sections of this report.

Appendix B: Draft audit report (Authority and Group)

Other information

The Treasurer is responsible for the other information. The other information comprises the Annual Governance Statement and information included in the Statement of Accounts, other than the financial statements and our auditor’s report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Treasurer for the financial statements

As explained more fully in the Statement of Responsibilities, the Treasurer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, and for being satisfied that they give a true and fair view. The Treasurer is also responsible for such internal control as the s151 Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Treasurer is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 and prepare the financial statements on a going concern basis, on the assumption that the functions of the Authority and Group will continue in operational existence for the foreseeable future. The Treasurer is responsible for assessing each year whether or not it is appropriate for the Authority and Group to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor’s responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Authority and Group, we identified that the principal risks of non-compliance with laws and regulations related to the Local Government Act 2003 (and associated regulations made under section 21), the Local Government Finance Acts of 1988, 1992 and 2012, and the Accounts and Audit Regulations 2015, and we considered the extent to which non-compliance might have a material effect on the financial statements.

Appendix B: Draft audit report (Authority and Group)

We evaluated the Treasurer’s incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- discussing with management and the Authority, the policies and procedures regarding compliance with laws and regulations;
- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the Authority and Group which were contrary to applicable laws and regulations, including fraud.

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of management and the Authority on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management and the Authority. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

We are also required to conclude on whether the Treasurer’s use of the going concern basis of accounting in the preparation of the financial statements is appropriate. We performed our work in accordance with Practice Note 10: Audit of financial statement and regularity of public sector bodies in the United Kingdom, and Supplementary Guidance Note 01 , issued by the National Audit Office in September 2021.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council’s website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor’s report.

Appendix B: Draft audit report (Authority and Group)

Report on the Authority’s arrangements for securing economy, efficiency and effectiveness in the use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our view we are not satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2022.

We have not completed our work on the Authority’s arrangements. On the basis of our work to date, having regard to the guidance issued by the Comptroller and Auditor General in December 2021, we have not identified any significant weaknesses in arrangements for the year ended 31 March 2022.

We will report the outcome of our work on the Authority’s arrangements in our commentary on those arrangements within the Auditor’s Annual Report. Our audit completion certificate will set out any matters which we are required to report by exception.

Responsibilities of the Authority

the Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in the use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor’s responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in the use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority’s arrangements for securing economy, efficiency and effectiveness in the use of resources are operating effectively.

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in December 2021.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Appendix B: Draft audit report (Authority and Group)

Use of the audit report

This report is made solely to the County Durham and Darlington Fire and Rescue Authority, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the County Durham and Darlington Fire and Rescue Authority those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than County Durham and Darlington Fire and Rescue Authority, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until we have completed:

- the work necessary to issue our assurance statement in respect of the Group’s Whole of Government Accounts consolidation pack; and
- the work necessary to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Date: [to be confirmed]

Appendix C: Independence

As part of our ongoing risk assessment we monitor our relationships with you to identify any new actual or perceived threats to our independence within the regulatory or professional requirements governing us as your auditors.

We can confirm that no new threats to independence have been identified since issuing the Audit Strategy Memorandum and therefore we remain independent.

Appendix D: Other communications

Other communication	Response
Compliance with Laws and Regulations	We have not identified any significant matters involving actual or suspected non-compliance with laws and regulations. We will obtain written representations from management that all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements have been disclosed.
External confirmations	We did not experience any issues with respect to obtaining external confirmations.
Related parties	<p>We did not identify any significant matters relating to the audit of related parties.</p> <p>We will obtain written representations from management confirming that:</p> <ul style="list-style-type: none"> a. they have disclosed to us the identity of related parties and all the related party relationships and transactions of which they are aware; and b. they have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the applicable financial reporting framework..
Going Concern	<p>We have not identified any evidence to cause us to disagree with the s151 Officer that the Authority and Group will be a going concern, and therefore we consider that the use of the going concern assumption is appropriate in the preparation of the financial statements..</p> <p>We will obtain written representations from management, confirming that all relevant information covering a period of at least 12 months from the date of approval of the financial statements has been taken into account in assessing the appropriateness of the going concern basis of preparation of the financial statements.</p>

Appendix D: Other communications

Other communication	Response
<p>Subsequent events</p>	<p>We are required to obtain evidence about whether events occurring between the date of the financial statements and the date of the auditor’s report that require adjustment of, or disclosure in, the financial statements are appropriately reflected in those financial statements in accordance with the applicable financial reporting framework.</p> <p>We will obtain written representations from management that all events occurring subsequent to the date of the financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.</p>
<p>Matters related to fraud</p>	<p>We have designed our audit approach to obtain reasonable assurance whether the financial statements as a whole are free from material misstatement due to fraud. In addition to the work performed by us, we will obtain written representations from management, and the Audit and Finance Committee (as those charged with governance) confirming that</p> <ul style="list-style-type: none"> a. they acknowledge their responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud; b. they have disclosed to the auditor the results of management’s assessment of the risk that the financial statements may be materially misstated as a result of fraud; c. they have disclosed to the auditor their knowledge of fraud or suspected fraud affecting the entity involving: <ul style="list-style-type: none"> i. Management; ii. Employees who have significant roles in internal control; or iii. Others where the fraud could have a material effect on the financial statements; and d. they have disclosed to the auditor their knowledge of any allegations of fraud, or suspected fraud, affecting the entity’s financial statements communicated by employees, former employees, analysts, regulators or others.
